View from the Chair

Much has happened since I shared my thoughts with you here in September. Certainly, Autumn has taken a stranglehold on our lovely environment. Frequent rain storms and falling, colorful leaves remind us that Old Man Winter is lurking nearby. Just exactly a month after this month's meeting, the Winter Solstice will be upon us with everything it brings.

Our Guest Speakers this month will be Paul Edwards, principal of Emerson Elementary, and Robert Aguilar, Vice-Principal and Athletic Director from Cascade High. They will share with us their programs and find out what we are about. The Council of Neighborhoods is making a great effort to connect with our local schools. Come support our kids!

Our Neighborhood Goodwill Project was a great success! 11 of us neighbors worked very hard in intermittent rain showers to turn an elderly neighbor's front yard into a Monte Cristo-worthy masterpiece! Thanks to Jim, Sue, Jay, James, Ron, Ethel, Johnny, Trevor, Dave, Mike & Michael! Donors included Firehouse Subs, Panera Bread, and Walmart on Everett Mall Way.

The presidential campaign is finally behind us and it is up to ALL OF US to come together to maintain the wonderful way of life we already enjoy and to make it even better. Regardless of our differences, we must respect and even love our neighbors - for we are all we have. I welcome your feedback to my e-mail address in the left margin.

¡Sí Se Puede! Yes, We Can!
